Re: Docket No. FD 36873, *Union Pacific Corp., et al. – Control – Norfolk Southern Corp., et al.*

Dear Judge Soulikias:

CSX Transportation, Inc. ("CSXT") writes to provide its fourth update regarding its response to Applicants' discovery requests in this proceeding.

To date, CSXT has received thirty-three discovery requests from Applicants. CSXT has agreed to produce documents in response to a number of those discovery requests, including the data-related requests, and has begun to produce materials in response to those agreed-upon requests. CSXT has also provided Applicants with a custodial search term proposal along with a search term hit count report. CSXT had been meeting and conferring with Applicants regarding the proposal until Applicants filed their recent motion to compel (UP-130/NS-124), and will continue to do so consistent with the guidance Your Honor provided during the November 13, 2026, hearing.

CSXT has produced approximately 174 gigabytes of data thus far. Additionally, CSXT has begun producing documents responsive to Applicants' First Set of Discovery Requests. CSXT will continue to make rolling productions until production is complete.

The chart below summarizes the material CSXT has produced to date.

CSXT Prod. Vol.	Prod. Date	Description
DATA_001 – DATA_015	Sept. 18, 2026	Car and train event data covering the period 2019-2025.

CSXT Prod. Vol.	Prod. Date	Description
DATA_016 – DATA_018	Oct. 15, 2026	Car and train event data; interchange data; and switching data.
DOC_001	Oct. 16, 2026	Documents responsive to Applicants' First Set of Discovery Requests.

Finally, CSXT has offered and set deposition dates for two of its proposed custodians.

Sincerely,

/s/ *Eric Fanchiang*
Attorney for CSX Transportation, Inc.
