Re: FD No. 36918, 900 Conshohocken Rail LLC - Acquisition and Operation Exemption - Rail Line of Cleveland-Cliffs Railways Inc. d/b/a Upper Merion & Plymouth Railroad

Dear Chairman Fuchs:

Plymouth Industrial Center, Inc. ("Plymouth") operates in Conshohocken, Pennsylvania, adjacent to a rail line for which 900 Conshohocken Rail LLC ("Conshohocken Rail") filed a Notice of Exemption for acquisition and operation earlier this year. On October 8, the Board directed Conshohocken Rail to respond to allegations that its parent company planned to remove tracks and rail right-of-way to construct a parking lot. The Board established October 28 as the due date for the requested response.

Plymouth is deeply concerned about, and firmly opposed to, any plan or proposal to remove rail infrastructure or eliminate rail service along the afore-mentioned rail line. Plymouth is interested in rail service to its facility in the near future and made a formal and specific request to Conshohocken Rail for common carrier rates and terms which was delivered on October 19, 2026. Consequently, Plymouth hereby requests to be added to the Service List for this proceeding and kept informed of all developments related to the rail line.

Thank you for your assistance with this matter.

Sincerely,

/ s / Karyn A. Booth
