Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

One of my primary concerns is the safety + demise of the downtown area. This will be a complete domino effect in that it will impact businesses/jobs not only where the train runs but all the surrounding areas. I think this is a big mistake if the decision is made to let this go through — I hope we make the right choice + say No.
