Hi Diane:

Thank you for your email. I'm sorry that I wasn't clear, the City will file for a NITU.

Hi Justin,

I'm preparing the Draft EA in the above referenced abandonment and discontinuance and have a question on the intended future use of the Line as a trail. The notice indicates that the approximately 3.2 mile line will be transferred to the City of Stillwater for trail use just short of consummation - would the transfer occur through the Trails Act and NITU process or is the Line to be sold outright? Please let me know at your earliest convenience.

Thanks,
Diana
