Re: Finance Docket No. 36873, *Union Pacific Corp., et al. – Control – Norfolk Southern Corp., et al.*

Dear Judge Soulikias:

CPKC writes to provide its fourth regular update regarding its responses to discovery requests in this proceeding.

To date, CPKC has received 33 discovery requests from Applicants, including a third set of requests served on October 12, 2026. CPKC continues to confer regarding the scope of responsive materials. While CPKC and Applicants continue to negotiate the full scope of CPKC's custodial search, CPKC has continued to process and prepare its custodial and non-custodial productions in response to the pending requests for which CPKC has agreed to produce responsive materials.

In addition to the 2019-2025 traffic tape and waybill data CPKC exchanged with Applicants last fall, CPKC has made six rolling productions thus far. CPKC has produced 3,611 documents totaling 15,852 pages, in addition to hundreds of GBs of data. CPKC will continue to make rolling productions until production is complete.

The chart below summarizes the material CPKC has produced to date.
