Director, Office of Proceedings
Surface Transportation Board
395 E St., SW
Washington, DC 20423

Dear Ms. Davis:

On October 31, I submitted a letter requesting to speak at the Surface Transportation Board's hearing on Railroad Revenue Adequacy scheduled for December 12, 2019. Since that time, I have learned that I will need to attend the plenary meeting of the Administrative Conference of the United States on the morning of December 12, as ACUS's governing body will be discussing recommendations based on a report I produced for ACUS this fall.

Due to the potential schedule conflict with another federal agency, I respectfully request that I be slotted to speak some time after noon on December 12.

Thank you for your consideration.

Sincerely,

Jerry Ellig
