Topic: Docket No. FD 33990, Union Pacific Railroad Company's Petition to Revoke and
Void Exemption

Summary of the Matters Discussed, Prepared by General Counsel Craig Keats:

At this meeting, staff briefed Board Members on a petition filed by Union Pacific (UP) to revoke and void an exemption for operating authority issued to C&C Railroad, Inc. (C&C) in 2001, on the ground that C&C's notice contained material false and misleading information.

Staff and Board Members discussed the following issues:

1. The background facts concerning C&C's 2001 notice of exemption.
2. Precedent regarding the scope of the Board's jurisdiction and revocation of notices of exemption.
3. Options for requesting additional information from the parties.
4. Options for resolution of UP's petition.
