JOINT MOTION TO EXTEND ABEYANCE PERIOD

Complainant Weskan Grain LLC ("Weskan") and Defendant Kansas & Oklahoma Railroad, L.L.C. ("K&O") (collectively the "Parties") jointly submit this motion to extend the period holding this case in abeyance for an additional thirty (30) days, and in support hereof state as follows:

On September 28, 2026 the Board granted the Joint Motion of Weskan and K&O to hold this proceeding in abeyance for 60 days—until November 27, 2026—because the parties had agreed in principle to settlement terms that, once reduced to a formal agreement, would, in critical part, call for Weskan to seek dismissal of the Complaint. Final resolution of the dispute is contingent upon the Parties' development of a formal settlement document.

On October 26, 2026, K&O counsel forwarded a draft agreement to counsel for Weskan. However, the parties have not yet been able to constructively engage on negotiating the terms of the agreement due primarily to counsel and the outside consultant for Weskan

being occupied by preparation of opening comments and other filings in Docket No. 36873 that were due on November 18, 2026, combined with the Thanksgiving holiday falling immediately before the November 27, 2026 end date. The Parties hereby jointly request that the Board enter an order holding further action in this docket in abeyance for an additional 30 days from November 27, 2026 pending finalization of formal settlement terms. Granting the Parties' request will facilitate a privately negotiated resolution of the issues presented by the Complaint, conserve agency resources, and not prejudice any party.

Respectfully submitted,
