Re: EP 730 (Sub No. 1) – Annual Update for Continued Inclusion on the Roster
of Arbitrators

Dear Ms. Brown:

Please accept this filing as notice of my continued availability to remain on the Board's roster of arbitrators. My biographical and contact information on file with the Board remains accurate.

This filing is late due to a medical emergency that kept me out of the office between January 10 - 17, 2020. I request the Board's favorable consideration of an extension of time so that this filing can be accepted. I regret any inconvenience that this late filing causes, and I trust that, should the Board accept this filing, no other parties will be disadvantaged.

Thank you for your consideration in this matter and best wishes for the new year.

Sincerely,

Signed: Charles D. Nottingham
