Re: Toledo Industrial Railroad LLC - Operation Exemption -
Line in Lucas County, OH
STB Docket No. FD 36381
Clarification

Dear Ms. Brown:

On January 22, 2020, Toledo Industrial Railroad, LLC ("TIR") filed a Notice of Exemption (the "Notice") with the Board in the above-referenced proceeding. At the request of Board staff, I am writing this letter to clarify that the Rail Line to be operated by TIR as highlighted on the map attached as Exhibit A to the Notice is approximately 5,500 feet in length. The 28,000 feet of track to be operated by TIR as referenced in the Notice includes both the Rail Line and the other non-jurisdictional yard tracks and side tracks shown on the map. We apologize for any confusion.
