Re: STB Docket No. FD 36395
Puget Sound & Pacific Railroad
-Lease Amendment and Operation Exemption
Including Interchange Commitment-
Union Pacific Railroad Company

Dear Ms. Brown:

On April 9, 2020, Puget Sound & Pacific Railroad filed a Verified Notice of Exemption in the above referenced docket accompanied by a confidential appendix containing information regarding an interchange commitment. On further review, we have come to understand that the Lease, as amended includes a second interchange commitment applicable to the section of the Rail Line between milepost 2.41 at Blakeslee Junction, WA and milepost 4.26 at Raisch, WA. The document containing this second interchange commitment was inadvertently not included in the confidential appendix. Therefore, enclosed hereto is a Supplemental Confidential Appendix document with the second interchange commitment. All other information in the Notice was complete and does not need to be amended.

Please let me know if there are any questions regarding this filing.

Sincerely,

Justin J. Marks
Counsel for Puget Sound & Pacific Railroad
