RE: Docket No. AB-1296X, *R.J. Corman Railroad Property, LLC – Abandonment Exemption – in Scott, Campbell, and Anderson Counties, Tenn.*

Dear Honorable Members of the Board,

I am writing in support of Arkansas-Oklahoma Railroad, Co. request for extension to file an OFA. We are working directly with their agents to help provide all the information needed in this matter so they can provide an up to date and current OFA offer. Unfortunately, this takes some time.

We have a scheduled meeting of the North East Railroad Authority for the morning of June 16, 2020. I have requested for our agenda that our Rail Authority authorize expenditure of our funds to assist in the process to provide the STB the most accurate information for the OFA.

The North East Tennessee Railroad Authority was created and authorized by the Tennessee Legislature for the express purpose of "secur[ing] economic benefits to the counties of Anderson, Campbell and Scott, by providing for the continuation of railroad service in Anderson, Campbell, and Scott counties."

I appreciate the generosity of the Surface Transportation Board in allowing additional time as we work as quickly as possible to preserve this asset for our county and region.

With kindest regards,

Terry Frank
