Re: The Illinois State Toll Highway Authority
Petition for Declaratory Order - STB Docket FD 36075

Dear Ms. Davis:

This letter responds to the Board's Order of April 17, 2020 seeking a status report from the parties in the above-referenced matter by June 15, 2020. Pursuant to the Board's Order, The Illinois State Toll Highway Authority and Soo Line Railroad Company d/b/a Canadian Pacific submit the following joint status report:

In our series of status reports, the parties have advised the Board that they were independently discussing a settlement and asked the Board to allow them to continue their discussions before participating in Board-sponsored mediation. The parties also have indicated they believed they had made progress toward settlement of the matter, including executing a letter of intent which establishes the framework for a final agreement. We are pleased to report that the parties believe that they have reached an agreement in principal and are currently finalizing its terms and associated collateral agreements and securing necessary authorities. Therefore, we seek an additional 60-day period to complete the documents.

Accordingly, the parties agree that any Board-sponsored mediation, if necessary or appropriate, be scheduled to begin no earlier than August 24, 2020 and no later than September 21, 2020, unless otherwise requested by the parties.

Respectfully submitted,

The Illinois State Toll Highway Authority
