Re: **Docket No. AB 1252X, Eastern Idaho Railroad, L.L.C. – Abandonment
Exemption – in Fremont County, Idaho**

Notice of Abandonment Consummation

Dear Ms. Brown:

By notice of exemption served in the above-referenced proceeding on February 8, 2019, Eastern Idaho Railroad, L.L.C. (“EIRR”) secured authorization, effective March 12, 2019, to abandon a line of railroad extending between milepost 28.80 at Egin and milepost 33.80 at Parker, in Fremont County, Idaho (the “Line”). The Board subsequently authorized an extension of the abandonment consummation notice filing deadline to until October 1, 2020, in a Director’s Order issued on June 18, 2020. There are no legal or regulatory barriers to abandonment consummation.

By this letter filing and in accordance with 49 C.F.R. § 1152.29(e)(2), EIRR hereby advises the Board that, as of July 17, 2020, it has exercised the authority granted to it, and has consummated its abandonment of the Line.

If you have any questions regarding this filing, please contact the undersigned.

Respectfully submitted,

/s/ *R.A. Wimbish*
