**RE: Union Pacific Railroad Company--Abandonment Exemption--In Riverside County, CA, STB
Docket No. AB-33 (Sub-No. 345X)**

Dear Ms. Brown:

On May 22, 2020, Union Pacific filed a Combined Environmental and Historic Report in the above-captioned proceeding. It was brought to our attention that the report contained a misstatement concerning the location of the line sought to be abandoned. The second-to-last paragraph on page 4 of the report incorrectly referenced Houston. That paragraph should be revised to read as follows:

After the proposed abandonment, the area would continue to receive rail service from UP via the remaining portion of the Line and other UP lines in the vicinity. The area, located just east of Los Angeles, is well served by major highways and by numerous local roads.

In addition, the Board's Office of Environmental Analysis requested that Union Pacific confirm whether the track on the line is still in place north of El Rivino Road. Union Pacific confirms that the track north of El Rivino Road is no longer in place.

Sincerely,

/s/ Jeremy Berman
