Dear Representative Comer:

Thank you for your recent letter regarding Ken Tenn Regional Rail Partners, Inc.—Construction & Operation of a Line of Railroad—in Fulton County, Ky. & Obion County, Tenn., Docket No. FD 36328. We appreciate knowing your views on this proposal.

As you know, Ken Tenn Regional Rail Partners, Inc., filed a petition with the Board on September 2, 2020, for an exemption from the prior approval requirements of 49 U.S.C. §10901 to construct and operate approximately 12.17 miles of rail line between the Hickman-Fulton County River Port and Union City, Tenn. While we cannot comment on the merits of the proposed construction because it is currently pending before the Board, please know that we are giving full and fair consideration to the petition and all filings submitted in the proceeding.

Again, thank you for your letter, a copy of which has been placed in the docket. If you or your staff have any questions, please contact us or Lucille Marvin, Director of the Office of Public Assistance, Governmental Affairs, and Compliance, at 202-245-0238.

Sincerely,
