Re: Docket No. NOR 42170, *Kingsbury Elevator, Inc. v. Grand Trunk Western Railroad Company*

Dear Ms. Brown:

In an order served in this proceeding February 4, 2021, the Surface Transportation Board initiated mediation and held this proceeding in abeyance (pending the conclusion of mediation) at the joint request of the parties. The parties have agreed that, due to the current unavailability of individuals essential to settlement negotiations, mediation will not commence until on or after April 1, 2021. The parties have so advised Federal Mediation and Reconciliation Service and Board staff assigned to this mediation, and are now also updating the Board as a courtesy.

Respectfully submitted,

/s/ Robert A. Wimbish
