Re: **Docket No. FD 36380**

**Atlas Land and Building Corporation and Atlas Materials Recycling Corporation – Petition for Declaratory Order**

Dear Ms. Brown:

Pursuant to a decision served in the referenced docket on August 17, 2020, the Board held this matter in abeyance pending judicial resolution of the parties' federal court property law dispute. The Board also ordered the parties to provide a status report on the court proceeding no later than February 17, 2021.

Please be advised that the federal court litigation remains pending. The parties have been engaged in active settlement discussions with the assistance of a mediator since July 2020. A draft settlement agreement has been exchanged with input from the mediator, and the operative case management deadlines have been extended pending the parties' continued settlement negotiations. Dkt. Entry 38, 39.

Based on this status, the parties respectfully request that the Board continue to hold this docket in abeyance, with a further status update to be provided by the parties within six months (no later than August 17, 2021.) We will also provide the Board with a copy of any merits decision within ten days of its issuance by the court, as ordered in the August 17, 2020 decision.

Counsel for Atlas and counsel for CSX have consulted and concur in the contents of this status report.
