Dear Chairman Oberman,

Mountaire Farms is the sixth largest producer of chicken in the United States and relies heavily on cost effective, reliable, and safe rail transportation. I am writing in support of the nomination of Mark Rosner for one of the vacant small railroad positions on the Railroad-Shipper Transportation Advisory Council (RSTAC).

Mark has extensive railroad experience and he understands and supports the needs of shippers like Mountaire. Our relationship with Carload Express and their Delmarva Central Railroad (DCR) is a partnership and without the quality of service provided by the DCR our growth on the Eastern Shore would not have been logistically feasible.

I feel that Mark would be an excellent addition to the RSTAC because of both his extensive railroad experience as well as his desire to work collaboratively with all stakeholders. As such, I hope that you will provide him with full consideration for his nomination to the RSTAC.

Sincerely,
