Re: STB Finance Docket No. 36486 (Sub No. 1)
Grainbelt Corporation
-Trackage Rights Exemption-
BNSF Railway Company

Dear Ms. Brown:

On February 26, 2021, Grainbelt Corporation ("GNBC") filed a Petition for Partial Revocation seeking authority to allow the expiration of trackage rights upon the negotiated termination date, without the need to seek discontinuance authority at that time. GNBC simultaneously filed a Notice of Exemption seeking a trackage rights exemption in STB Finance Docket No. 36486. GNBC is submitting this letter to clarify that it seeks revocation of the trackage rights twelve months from the effective date which will be March 29, 2022.

As noted in the Notice of Exemption, section (a)(1)(ii), Grainbelt intends that the trackage rights will be effective 30 days after the Notice was filed which will be March 29, 2021. Accordingly, the Petition for Revocation seeks to have the trackage rights expire 12 months from the effective date - March 29, 2022. If there are any further questions related to this filing, please contact me.

Sincerely,

Justin J. Marks
Counsel to Grainbelt Corporation
