Re: Docket No. FD 36472, *CSX Corporation and CSX Transportation, Inc.-Control and Merger-Pan Am Systems, Inc., et al.*

Dear Ms. Brown:

OmniTRAX, Inc. supports the application filed by CSX Transportation, Inc. ("CSXT") to acquire and operate Pan Am Systems, Inc., and its railroad subsidiaries. We feel the acquisition will preserve and enhance competitive options in the New England and Northeast regions.

OmniTRAX, and its affiliate, Winchester & Western Railroad ("WW"), indirectly interchange traffic with Pan Am Systems for movement to and from New England and the eastern United States. We believe the acquisition will enhance WW's service to its customers by providing best-in-class service with new standards of performance via higher velocity, faster equipment turns, and greater consistency. CSXT will also enhance competition through lower costs and improved access to the rail network in the eastern United States. The Pan Am acquisition will further allow OmniTRAX and WW to explore new supply chain solutions and market opportunities with the CSXT Sales and Marketing team.

OmniTRAX supports the proposed merger and requests that the Board expeditiously approve the acquisition of Pan Am Systems and its subsidiaries by CSXT.

Sincerely yours,
OmniTRAX, Inc.

Sergio Sabatini
President
