Re: Docket No. FD 36398, *Brookhaven Rail LLC – Construction
and Operation Exemption – Suffolk County, New York*

Dear Ms. Brown:

This letter is filed on behalf of Brookhaven Rail LLC (“Brookhaven Rail”) and the Town of Brookhaven, New York (“Town”), seeking an additional twenty-one (21) day extension of the mediation period in this proceeding. The parties continue to actively discuss the details of the various topics on which they reached agreement concerning the proposed rail construction project in this docket. They also continue to work on producing written documentation of their mutual understandings. However, despite these efforts the parties will not be able to finalize their discussions and the related documentation before the current expiration date of the mediation period on May 28, 2021.

As such, Brookhaven Rail and the Town believe it would be beneficial to extend the mediation period an additional twenty-one (21) days, to June 18, 2021, and hereby formally request this extension of the mediation period pursuant to 49 C.F.R. §1109.3(b). The undersigned counsel is authorized to by counsel for the Town to represent that the Town concurs with this request.

Sincerely,

Thomas W. Wilcox
Attorney for Brookhaven Rail LLC
