Re: **C&S Railroad Corporation - Modified Rail Certificate  
FD 31618 (ICC served April 18, 1990)**  
Notice of Intent to Terminate Modified Rail Certificate

Dear Ms. Brown:

C&S Railroad Corporation ("C&S") hereby gives notice pursuant to 49 C.F.R. § 1150.24 of its intent to terminate service under its modified certificate authority issued in the above referenced proceeding over the rail line extending from milepost 19.5 at Haucks (sometimes referred to as Tamanend), Schuylkill County, PA, and milepost 0.0± at Packerton Jct., Carbon County, PA (the "Line"). The Line is currently owned by Carbon County.

The Line is currently in the process of being sold by Carbon County to Reading Blue Mountain & Northern Railroad ("RBMN"). Upon the closing of the sale, C&S's lease with the County will be terminated, and C&S will enter into a new lease with RBMN, and continue to operate the Line pursuant to the common carrier certificate and authority obtained in *C&S Railroad Corporation – Lease and Operation Exemption – Reading Blue Mountain & Northern Railroad Company*, FD 36517 (STB served May 28, 2021).

There will be no interruption in service as C&S's termination of service under its modified certificate will be effective at the same time as RBMN closes on the purchase of the Line, and the new lease from RBMN becomes effective.

Respectfully submitted,

CLARK HILL PLC
