BEFORE THE
SURFACE TRANSPORTATION BOARD

IN THE MATTER OF
JOHN J. MCCARTHY
-- ACQUISITION OF CONTROL --
TROMBLY MOTOR COACH SERVICE INC.
DOCKET NO. MCF 21094

REQUEST OF APPLICANT FOR EXTENSION OF
TIME TO FILE SUPPLEMENT TO APPLICATION

John J. McCarthy, the applicant in this matter ("Applicant"), respectfully requests an extension of time to June 30, 2021, within which to file his supplement to the application initiating this matter (the "Application").

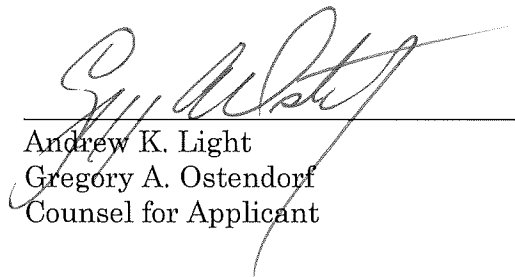

1. Applicant filed the Application on May 4, 2021.
2. By the decision of the Surface Transportation Board (the "Board") served on June 3, 2021, the Applicant was directed to file a supplement to his Application (the "Supplement") providing additional information and analysis relative to the operations, services and other details of the regulated carriers involved in the Application (the "Requested Information") by June 23, 2021.
3. Applicant has been working diligently to gather and analyze the Requested Information and prepare the Supplement; however, due to the specific nature of certain items of the Requested Information, the availability of certain individuals with knowledge of certain items of the Requested Information, and employees within the regulated carriers that

have been or are on scheduled vacations, Applicant has been unable to complete and file the Supplement by June 23, 2021.

4. Also, it is the intention of Applicant that the Supplement be as complete and responsive to the Board's directive as reasonably possible, which necessitates additional time for review and analysis. Applicant submits that an extension of time to June 30, 2021, within which to file his Supplement will result in the Supplement being complete and responsive to the Board's directive.

Accordingly, Applicant requests that the time within which he is to file the Supplement in this matter be extended to June 30, 2021.

Respectfully,
