RE AB 55-763X CSX Abandonment in Logan County, WV

On October 26, 2016 the STB granted a NITU to GHL, which is a subsidiary of CSX, for a 180 day period. It is now 5 years after the NITU was granted and GHL is asking for another 1 year extension of the NITU. Under the rules promulgated under EP749, extensions of NITUs are only allowed for 4 years total except for "extraordinary reasons". The 4 years have passed and GHL has not shown an "extraordinary reason" for the STB to extend the NITU.

NARPO requests the STB to terminate the NITU in AB 55-763X per the STB rules in EP749.

All Parties of Record have been served via email on 10/05/2021.
