Re: Canadian Pacific Railway Limited, et al. – Control of Kansas City Southern, et al.
Docket No. FD 36500
Crawford and Cherokee Counties

Staff of the State Historic Preservation Office (SHPO) has reviewed the information received November 19, 2021, regarding the above-referenced project in accordance with 36 CFR Part 800. In reviews of this nature, the SHPO determines whether a federally funded, licensed, or permitted project will adversely affect properties that are listed or determined eligible for listing in the National Register of Historic Places. As confirmed in our meeting today, the proposed project will not involve any facility expansions or new ground disturbance in Kansas. The SHPO therefore concurs that the proposed rail merger will not adversely any property listed or determined eligible for listing in the National Register. As far as this office is concerned, the project may proceed.

Please refer to the Kansas State Review & Compliance number (KSR&C#) listed above on any future correspondence. Please submit any comments or questions regarding this review to Tim Weston at 785-272-8681 ext. 214 (tim.weston@ks.gov) or Lauren Jones at 785-272-8681 ext. 225 (lauren.jones@ks.gov).

Sincerely yours,
Jennie Chinn
