Justin, Adam Assenza is on vacation this week, but he'll be back on Monday. We'll need a letter from you asking us to approve ICF as the third party consultant. The same sort of letter you did in the Ken Tenn case. Assuming we approve ICF, then we'll send the disclosure form to ICF and get the MOU moving.

Subject: Port KC

Good afternoon:

Port KC has completed a public procurement to retain an environmental consultant for its Petition for Exemption to construct/operate a rail line. The Port has engaged ICF Consulting. Next week would it be possible for you to send me over the MOU and 3rd Party Disclosure form so that we may begin the environmental review?

Thanks,

Justin
