Subject: Monthly Call - Port KC/STB - OEA/ MARAD
Date: Monday, March 29, 2021 7:06:10 AM

Hi Kris:

My name is Justin Marks, I am Port KC's railroad counsel. I represent Port KC in its application to the STB for Port KC to construct a common carrier line of railroad. I believe that you've spoken to Adam Assenza with the STB's Office of Environmental Analysis. As you know, in order for Port KC to obtain construction authority from the STB, the Board must conduct a NEPA review. OEA is utilizing the consulting firm ICF to assist it in conducting the environmental analysis.

I understand that you reached out to Port KC to arrange a call to discuss the MARAD EPA. OEA and Port KC is going to do a monthly call the first Wednesday of the month at 2pm (est). I think it makes sense to loop you into those calls.

Alex or Adam, would you please include Kris on the calendar invite?

Thanks,

Justin

Justin J. Marks
