Subject: RE: WB21-67 and FD 36500

Mr. Dusenberry,

On behalf of Union Pacific, I am requesting that the access to waybill sample data authorized in Waybill Request WB21-67 be extended to include the unmasked 2000-2003 and 2007-2014 Carload Waybill Samples for all records and fields. The explanations and justifications for this request are essentially the same as those in my original request, except that the additional years of data are need to complete several analyses being prepared to respond to issues raised in the Application in FD 36500. As work has progress, we have recognized a need for additional years of data.

I am requesting access for all of the individuals who currently have access to waybill data under WB21-67.

Regards,

Mike Rosenthal
