Good morning Mr. Wabasha. Hope you are well. I am following up on our outreach to the Shakopee Mdewakanton Sioux Community over the past few months. We sent you a Section 106 initiation letter on November 12, 2021 but haven't received a response yet. We are very interested in consulting with you on this important project. In the letter we provided an overview of the project and requested your interest in participating as a Consulting Party under Section 106. We are very interested in any comments the Shakopee Mdewakanton Sioux Community may have on the proposed APE and the potential impacts of the proposed acquisition. Additional more detailed information on the project can be found on the project's website (www.CP-KCSMergerEIS.com).

If you have any questions about the project, or the Section 106 process, please let me know. I am available to talk or meet with you at your convenience if that would be helpful.

Thanks very much and stay safe.

Alan Tabachnick
