Re: Finance Docket No. 36500
Canadian Pacific Ry. – Control – Kansas City Southern

Dear Ms. Brown:

Applicants¹ recently became aware of an error in the heading of Appendix B of the Operating Plan (Exhibit 13), in Volume 2 of the Application (CP-27/KCS-14)(2-369). Under this cover letter, Applicants submit a corrected Appendix B. The error is only in the heading. The content of Appendix B is unchanged. The public and highly confidential versions of Appendix B are identical.

The heading error starts on page 6 of Appendix B (2-375) through Appendix B page 34 (2-403). The corrected heading is “Changes in Yard Volumes Overall [Optimized Plan vs. Growth Plan]” to reflect that the data on the respective pages reflects the Optimized Plan versus Growth Plan. Appendix B, pages 1-5 (2-369 to 2-374), and 35-36 (2-404 to 2-405) are unchanged.

¹ Applicants are Canadian Pacific Railway Limited, Canadian Pacific Railway Company, and their U.S. rail carrier subsidiaries Soo Line Railroad Company, Central Maine & Quebec Railway US Inc., Dakota, Minnesota & Eastern Railroad Corporation, and Delaware and Hudson Railway Company, Inc. (collectively “CP” or “Canadian Pacific Applicants”) and Kansas City Southern and its U.S. rail carrier subsidiaries The Kansas City Southern Railway Company, Gateway Eastern Railway Company, and The Texas Mexican Railway Company (collectively “KCS” or “Kansas City Southern Applicants”).

The Hon. Cynthia T. Brown

APPENDIX B: CHANGES IN YARD VOLUMES

Changes in Yard Volumes Overall [Optimized Plan vs. Growth Plan]

Base Project: KCS Optimized, Base Output Set: 015, Base Traffic: October2020FTIBASE, 28 days, Alternate Project: KCS Growth, Alternate Output Set: 004, Alternate Traffic: October2020Year5, 28 days
Report shows all - Volumes in Base Project, Alternate Project and Difference, Displays data where volume changes are > 0.10 Sorted by Location

Maps indicating locations of principal yards follow the table.

Project Data															Difference										
Location	Yard	Type		Blocks		Locals		Cars per day							Blocks		Locals		Cars per day
