**BEFORE THE
SURFACE TRANSPORTATION BOARD**

STB Ex Part No. 711 (Sub-No. 1)

Reciprocal Switching

**ERRATA TO VERIFIED STATEMENT AND WRITTEN
TESTIMONY OF MICHAEL R. BARANOWSKI &
NATHANIEL S. ZEBROWSKI**

The Association of American Railroads (“AAR”) submits this Errata to correct minor errors in the Verified Statement and Written Testimony of Michael R. Baranowski & Nathaniel S. Zebrowski that was attached to AAR’s Supplemental Comments filed on February 14, 2022.

In the process of preparing for the March 15–16, 2022 public hearing in this matter, the team at FTI Consulting identified a technical error in the mapping logic used to create the two maps (Charts 1 and 2) appearing on pages 10 and 11 of the Verified Statement and Written Testimony. Corrected versions of Charts 1 and 2 are included in Attachment A. Related adjustments have been made to the corrected plots to ensure that the information is presented in comparable form. No correction to the workpapers from FTI Consulting submitted to the Board is needed.

Dated: March 11, 2022

Respectfully Submitted,

/s/ Benjamin J. Horwich
