Re: STB Finance Docket No. 36500, *Canadian Pacific Railway Limited, et al. – Control – Kansas City Southern et al.*

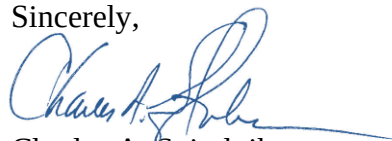

Dear Ms. Brown:

I am enclosing an Errata Sheet for the Commuter Rail Division of the Regional Transportation Authority d/b/a Metra regarding its Comments and Request for Conditions filed in the above-referenced proceeding on March 15, 2022. Subsequent review of the filing indicates that the percentage increase in freight traffic indicated by the information analyzed by Metra in Applicants' Application and associated supporting documentation was incorrectly stated and should be stated as a 280% increase, not a 380% increase. With the filing of this Errata Sheet Metra is correcting this inadvertent error. This does not impact Metra's analysis of the underlying change in traffic, which is correctly stated.

We are simultaneously serving all parties of record with this Errata Sheet.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Charles A. Spitulnik

Enclosure
