Wendy,

I hope you're doing well. Following up on our phone conversation last week, I have confirmed with U.S. Fish and Wildlife Service that the appropriate contact for questions about the proposed Uinta Basin Railway project would be George Weekley, the Deputy Field Supervisor of the Utah Ecological Services Field Office. His email is george_weekley@fws.gov and his phone number is 358-285-7929.

I hope this is helpful.

Best,
Josh
