Subject: RE: Uinta Basin Railway Comment Submission Deadline

Hello Wendy,

This is to confirm, once again, that the Surface Transportation Board's Office of Environmental Analysis will be accepting mailed public comments on the Draft EIS for the proposed Uinta Basin Railway project that are postmarked on or before February 12, 2021. Thanks and we look forward to receiving your comments.

Best,
Josh

Subject: Uinta Basin Railway Comment Submission Deadline

Good morning, Josh,

Thank you for your voicemail. I wanted to confirm in writing that the Feb. 12, 2021 deadline for submission of comments and any supporting materials is a postmark deadline. The website states: "All comments on this Draft EIS must now be submitted by **February 12, 2021**, 105 days after the Notice of Availability of the EIS was published in the Federal Register."

<http://www.uintabasinrailwayeis.com/PublicInvolvement.aspx>

Since the language is ambiguous, could you please confirm that this is a postmark deadline and not a mail receipt deadline? Thank you,

Wendy
