Josh –

Thank you very much! I just received the automated notice, as well – and I must say I appreciate the Board having instituted that measure to announce hot-off-the-press decisions.

Best regards,
Allison

Hi Allison,

I wanted to let you know that the Surface Transportation Board has just issued a Notice extending the public comment period for the Uinta Basin Railway Draft EIS. The comment period has been extended 15 days until February 12, 2021. I have attached the Notice for your information. Please let me know if you have any questions.

Best,
Josh

Josh –

Attached please find the Motion for Extension of Time and Petition for Reconsideration of Eagle County, filed on January 25, 2021, in the Board’s main docket. Eagle County seeks a 30 day extension, to February 27, 2021, of the comment period on the DEIS.

Eagle County and other Colorado communities potentially affected by the Seven County Coalition’s proposal received constructive notice of Colorado, Midland, and Pacific Railway’s Notice of Exemption for its lease of the Tennessee Pass Line from UP on December 31, 2020, and accordingly have had very limited time to understand the implications of both proposals.

Please let me know of any questions.

Best regards,
Allison
