Ms. Cordray,

Yes, I did receive your comment. It does take a little longer to post comments that I receive by email compared to comments that are submitted directly through the project website because there are extra steps involved, but it should appear there soon and certainly no later than the next update. I will keep an eye on the website to make sure that it goes through.

Thank you,
Josh

dear mr Wayland

My records show I emailed you the attached comment on nov 13 2020.
I do not see it included in the record of comments submitted so far on your website.
Please add this letter if you have not all ready.

Thank You
Raphael Cordray

Feminists are trying to destroy a sex hierarchy, a race hierarchy, an economic hierarchy, in which women are hurt, are disempowered, and in which society celebrates cruelty over us and refuses us the integrity of our own bodies and the dignity of our own lives.

A political resistance goes on day and night, under cover and over ground, where people can see it and where people can't. It is passed from generation to generation. It is taught. It is encouraged. It is celebrated. It is smart. It is savvy. It is committed. And someday

it will win. It will win.
