Maggie:

Our real estate team is continuing to work on ROE for the properties, and one particular property owner is looking for contact information for the folks who will actually be on-site. Can you please work with Stephanie (copied) to provide that information? I am not sure if it will be multiple folks at different times or if it will be consolidated. Not sure if a call is warranted or if this can be done through email, but feel free to do whatever is most efficient.

Thanks!
