APPLICATION OF THE NATIONAL RAILROAD PASSENGER CORP.
UNDER 49 U.S.C. § 24308(e) – CSX TRANSPORTATION, INC. AND
NORFOLK SOUTHERN CORPORATION

AMTRAK’S REVISED LIST OF WITNESSES

Pursuant to the Surface Transportation Board’s (“the Board’s”) March 23, 2022 Order, the National Passenger Railroad Corporation (“Amtrak”) respectfully submits its revised list of witnesses for the above captioned matter’s evidentiary hearing scheduled for April 4, 2022. The Board’s Order directed the parties, Amtrak, CSX Transportation, Inc. (“CSX”), Norfolk Southern Railway Company (“NS”), and the Alabama State Port Authority (“ASPA”) and its rail carrier division the Terminal Railway Alabama State Docks (“TASD”), to file with the Board any changes to their previously filed list of witnesses whom they intend to call for direct examination and whom they request an opportunity to cross-examine.

Amtrak intends to call for direct examination the following witnesses.

Name	Organization & Title	Expected Duration
Jim Blair	Amtrak, Assistant Vice President Host Railroads	45 minutes
Daniel L. Fapp	L.E. Peabody & Associates, Inc., President	60 minutes
Clayton S. Johanson	DB Engineering & Consulting USA Inc., Principal Consultant	45 minutes

Amtrak requests the opportunity to cross-examine the following witnesses.

Name	Organization & Title
Ricky Johnson	CSX, Senior Vice President of Engineering & Mechanical
Randall W. Hunt	NS, Senior Director – Interline Services
Charles H. Banks	R.L. Banks & Associates, Inc., President
Larry Guthrie	R.L. Banks & Associates, Inc., Director of Operations & Service Planning
Mark H. Dingler	HNTB Corporation
Hannah Rosse	CSX, Director of Service Measurements and Network Modeling (former)
Holly Sinkkanen	NS, Manager Strategic Capacity
Robert M. Golden	TASD, General Manager
John C. Driscoll	ASPA, Director & Chief Executive Officer
Any other individual called as a witness by any other parties	

Amtrak’s previously filed witness list, filed on February 14, 2022, is attached for reference. After filing that witness list, Amtrak met and conferred with CSX and NS about streamlining the proceedings. The parties agreed to offer the testimony of Dennis Newman and Ted Niemeyer on the papers in lieu of live testimony. Consistent with that agreement, Amtrak’s revised witness list reflects that it no longer intends to call Mr. Newman (Amtrak, Executive Vice President for Planning and Asset Development) for direct examination and no longer intends to call Mr. Niemeyer (V3 Companies, Director of Railroad Services) for cross examination. Additionally, Amtrak’s revised witness list reflects that it intends to call for direct examination Daniel L. Fapp, L.E. Peabody & Associates, Inc., Senior Vice President, in place of Thomas D. Crowley. Based on discussion between the parties, Amtrak also expects that Amtrak’s witnesses will follow those put on by CSX, NS, and the Port.
