Re: Finance Docket No. 36496, *Application of the National Railroad Passenger Corp. Under 49 U.S.C. § 24308(e) – CSX Transportation, Inc. and Norfolk Southern*

Dear Ms. Brown:

In accordance with the Surface Transportation Board's March 23, 2022 order, CSX Transportation, Inc. ("CSXT") and Norfolk Southern Railway Company ("NSR") are submitting two sets of exhibits and identifying objections we may raise during the evidentiary hearing.

CSXT and NSR are submitting a set of Joint Exhibits that consist of all filings by the National Railroad Passenger Corporation ("Amtrak"), CSXT, NSR, and the Port through Monday, March 28, 2022.¹ CSXT and NSR are also submitting CSX-NS Joint Exhibits. These two sets of exhibits were delivered this morning to the Board's headquarters and an electronic copy of all exhibits will be transmitted to the Board via a ShareFile link to hearings@stb.gov, as well as to Amtrak and the Port. The exhibit lists are attached to this letter.

CSXT and NSR generally have no prehearing objections to Amtrak's exhibits, which appear to relate to evidence or workpapers that are in the record. But CSXT and NSR have concerns about AmtrakExhibit_6, which is described as a demonstrative exhibit for Clayton S. Johanson of DB Engineering but that includes dozens of slides that appear to contain new analyses that he did not present in either his December 3, 2021 reply verified statement attached to Amtrak's reply, or his February 1, 2022 surrebuttal verified statement attached to Amtrak's surrebuttal. CSXT and NSR will object to any attempt by Amtrak to introduce through Mr. Johanson any new analysis that that is not supported by his prior reports and workpapers.

¹ The Port consists of the Alabama State Port Authority and its rail common carrier operating division, Terminal Railway Alabama State Docks.

SIDLEY

Page 2

CSXT and NSR have no prehearing objections to the Port's exhibits.

Notwithstanding the above representations concerning Amtrak and the Port's exhibits, CSXT and NSR reserve the right to object to any party's exhibit based on the context in which it is offered during the evidentiary hearing.

Sincerely,

/s/ William A. Mullins
