Re: STB Docket No. FD 36472
CSX Corporation and CSX Transportation, Inc., et al.
Control and Merger – Pan Am Systems, Inc. et al.

Dear Ms. Brown,

I'm writing on behalf of the Village of Altamont, located in my 109th Assembly District, that has written to express concern to the application listed above: the proposed acquisition of Pan-Am Systems, Inc. by CSX Corporation and CSX Transportation, Inc.

The Village of Altamont is concerned that the project would increase through traffic on an existing Norfolk Southern rail line bisecting the village over Main Street (Route 146). They express that this could pose an issue of timeliness for emergency service providers that cannot afford to wait considerable lengths of time when safety, loss of life, or loss of property is on the line.

I encourage your consideration of the Town's feedback. Please feel free to contact my office with any questions at 518-455-4178. You can also send any additional information to us at fahyp@nyassembly.gov.

Thank you,

Patricia Fahy
