Topic: Docket No. FD 36472, CSX Corporation and CSX Transportation,
Inc., et al.—Control and Merger—Pan Am Systems, Inc., et al.

Summary of the Matters Discussed, Prepared by General Counsel Craig Keats:

At this meeting, staff briefed Board Members concerning the Amended Application under which CSX Corporation and its affiliates would control Pan Am Systems, Inc. and its affiliates, and would merge six of the Pan Am railroads into the CSX system. In addition, CSX seeks authority to control Pan Am Southern LLC, which is indirectly jointly owned by one of the Pan Am railroads and Norfolk Southern Railway Co. The Application also describes related trackage rights agreements and operational changes. The involved railroads provide service in New England and upstate New York.

Staff briefed Board Members on materials filed since the January 13-14 hearing and discussed potential next steps.
