RE: Urgent Issues in Freight Rail Service, STB Docket No. EP 770

On behalf of the Transportation Trades Department, AFL-CIO (TTD), I intend to testify at the April 26-27, 2022, Surface Transportation Board meeting regarding urgent issues in freight rail service for a requested period of 5 minutes. TTD consists of 37 affiliate unions representing workers covering every function of cargo and passenger rail. Those unions, and the millions of workers they represent, bring a critical perspective to the issues addressed in this notice.

I appreciate the opportunity to testify and hope to work with the Board going forward.

Sincerely,
