Notice of Intent to Participate - Docket No. EP 770 (*Urgent Issues in Freight Rail Service*)

Dear Ms. Brown:

Brian Ossenbeck, Transportation and Logistics Analyst at J.P. Morgan, respectfully submits this Notice of Intent to Participate in the proceedings of the Surface Transportation Board hearing on April 26 and 27, 2022, per the invitation of Chairman Oberman. Requested time to speak of 20 minutes in order to present our analysis of service issues impacting the freight rail industry. The reason for the late file was the combination of logistics challenges to be at the event in person during earnings season and recovering from COVID-19.
