Dear Surface Transportation Board Members:

I respectfully request permission to submit comments on the Kansas City Southern and Canadian Pacific merger the week of June 13th. Unfortunately, I have travel that has come up unexpectedly, both professional and personal and will not be able to submit my comments on June 9th.

I apologize for this delay, but greatly appreciate the opportunity for myself and my fellow FMC Commissioners the opportunity to submit the week of June 13th.

Thank you again for your consideration.

Sincerely,

Carl W. Bentzel

Commissioner

Federal Maritime Commission (FMC)
