Re: Docket No. EP 770 (Sub-No. 1), *Urgent Issues in Freight Rail Service—Railroad Reporting*

Dear Ms. Brown:

Pursuant to the Board's order served May 6, 2022 ("May 6 Order") in the above-captioned proceeding, filed concurrently herewith please find:

- (i) the weekly performance data for CSX Transportation, Inc. ("CSXT");
- (ii) CSXT's corrected employment data report for April 2022, in the revised template provided by the Board's Office of Public Assistance, Governmental Affairs and Compliance ("OPAGAC") pursuant to the Board's June 13, 2022 order in the above-captioned proceeding ("June 13 Order"); and
- (iii) CSXT's employment data report for May 2022, in the revised template provided by OPAGAC pursuant to the June 13 Order.

Please note that items (ii) and (iii) above do not currently include the trainee data required by the June 13 Order (i.e., items (i)-(iv) on pg. 8 of the June 13 Order). CSXT is diligently working to compile this new data, but was not able to do so in advance of the June 15 due date, as prescribed by the May 6 Order, for filing of the May monthly employment data report.

Out of an abundance of caution given the June 15 due date, CSXT is filing its revised April report and a May report containing the information requested in Item 8 of the May 6 Order in the newly provided OPAGAC template, and is reporting no value in the value column for the

new trainee data items at this time. CSXT will file updated versions of the April and May employment data reports as soon as this data becomes available.

Please do not hesitate to contact me with any questions or concerns about this submission.

Sincerely,
