RE: Docket No. EP 770 (Sub No. 1), Urgent Issues in Freight Rail Service—Railroad Reporting

Dear Ms. Brown:

BNSF hereby submits the attached update on the status of our service recovery plan filed May 20, 2022. The KPIs addressed in the attachment are only those BNSF identified in its May 20 filing, and do not include the new, more granular On Time Performance targets requested by the Board in its June 13, 2022 decision. In accordance with that June 13 decision, BNSF will be providing those additional targets as part of the revised service recovery plan we file on June 23.

Please contact me if you have any questions.

Sincerely,
