Re: **Docket No. EP 770(1) – *Urgent Issues in Freight Rail Service---Railroad Reporting*
Employment Data, Second Supplement**

Dear Chairman Oberman, Vice Chairman Schultz, Board Members Fuchs, Primus, and Hedlund,

Union Pacific is respectfully submitting the attached employment data for April 2022 and May 2022 pursuant to the Board's decision of June 13, 2022, utilizing the template provided by the Board's Office of Public Assistance, Governmental Affairs, and Compliance.

The Data Element Item 8 in the restated April 30, 2022 Employment Data Report reflects different values for the Variables L100, L200, L300, L400, and L500 than that reported in the originally submitted report. The total furloughed employees count remained the same, but the individual Variable categories were updated to properly classify employees by the ICC code of their prior job rather than their union code.

Union Pacific apologizes for any confusion and is happy to answer any questions you may have.
