Re: STB Docket No. FD 36616, Savage Tooele Railroad Company – Construction and Operation Exemption
– Line of Railroad in Tooele County, Utah

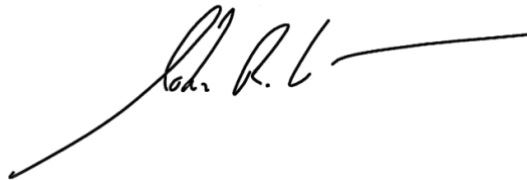

Dear Ms. Brown:

I am writing today to urge the Surface Transportation Board to give full and fair consideration of Savage Tooele Railroad Company (STR)'s Petition for Exemption filed in the captioned proceeding on June 30, 2022. I ask the Board to act as soon as possible on STR's proposed rail construction and rail service operation described in the Petition.

STR plans to provide short line rail freight service from a connection with the Union Pacific Railroad Company's track in Burmester, Utah to a new business park being built in Grantsville, Utah that is providing residents of this rural community with good-paying jobs.

A copy of this letter has been served on all parties of record in Docket No. FD 36616. Thank you for your full and fair consideration of their request.

Sincerely,

A handwritten signature in dark ink, appearing to read "John R. L.", followed by a long horizontal line extending to the right.
