Re: Waybill Request WB22-40

I have approved expanded access to the Carload Waybill Sample (CCWS) with unmasked revenues in connection with FD 36500, Canadian Pacific Railway Limited, Et al. – Control – Kansas City Southern, et al, on behalf of Norfolk Southern Railway Company (“NSR”). Specifically, you are granted access, in accordance with 49 C.F.R. § 1244.9(b)(4), to the unmasked 2008-2014 CCWSs for all records. These datasets may only be used for purposes of this proceeding. See 49 C.F.R. § 1244.9(b)(4)(v).

Subject: WB22-40 FD36500 - Waybill data access question
Date: Wednesday, July 20, 2022 1:43:09 PM

Hi Mr. Dusenberry,

I wanted to enquire about how Norfolk Southern's outside counsel and consultants could receive access to the CCWS for the years 2008-2014. We currently have access to 2000-2007 and 2015-2020, but we would like access to 2008-2014 so we can bridge that gap and respond to other parties who are using data from the full time period. Should I submit another letter request for those years, and if so, do I need to include another payment for each of the individuals who need access? It would be the same set of individual that have access under the WB22-40 letter.

Please feel free to give me a call if it would be easier to discuss. Thanks in advance for your assistance.

Regards,
Dan
